

All Saints Civic Services & Christmas Events Prayer Diary

Through November and December, we have the privilege of welcoming a lot of different organisations, groups and individuals into our Church. It is a wonderful opportunity to stretch out our hand to bless people through generous hospitality, and our longing is that they will discover God's love and grace offered to them. So, please be praying that those who come will truly encounter Jesus and that all those involved in leading, hosting and inviting people will be filled with faith and courage.
